PureGreen LLC Supports Carol M. Baldwin Breast Cancer Research Fund

NEW YORK, NY, July 2, 2012 – Pure Green, LLC, distributors of PureGreen24

We are excited to announce The Carol M. Baldwin Breast Cancer Research Fund will host their 2nd Annual Pink Penguin Bash to raise funds and awareness for breast cancer research. Last year's fun event was a huge success with over 500 people attending.

The event will be held at **Atlantis Marine World, Long Island's Aquarium, on Saturday, July 28, 2012** 7:00 pm at 431 East Main Street, Riverhead, NY.

If you have not been there, it is a wonderful facility adjacent to a new Hyatt hotel.

All monies raised by the Fund support research done at Stony Brook University Hospital in an effort to find a cure for this devastating disease that has touched so many of us by way of a mother, sister, daughter, wife or friend.

“We are proud to support such a worthwhile cause” stated Brigitte Ferrada-Stetson, who is co-chairing this event.

We hope you will join us and become a part of our 2nd Annual Pink Penguin Bash Benefit.

About Carol M. Baldwin Breast Cancer Research Fund, Inc.

The Carol M. Baldwin Breast Cancer Research Fund, Inc., supports both new and established researchers investigating the causes, prevention and treatment of breast cancer. This research will include—but not be limited to—studies of the genetic, molecular, cellular and environmental factors involved in the development and progression of breast cancer; application of the knowledge thus gained to educate medical professionals and increase public awareness for the prevention, detection and treatment of breast cancer; and studies of the outcomes of breast cancer detection and treatment on the patient, their families and society.

Additional information about the fund is available at www.findacure.org

About Pure Green, LLC

Pure Green, LLC is the international distributor of PureGreen24 disinfectant and deodorizer; your only choice for a proven disinfectant. Pure Green, LLC is dedicated to reducing health risks caused by exposure to viruses, fungi and bacteria without endangering humans and animals during the disinfecting process. PureGreen24 kills MRSA and H1N1, yet also kills common household germs. PureGreen24 can be used in the presence of children and animals. PureGreen24 is based on patented Silver Ion SDC technology, which is the only disinfectant with 24 hour effectiveness. Pure Green, LLC is further distinguished by donating a percentage of profits to charities which support children's health, cancer research and animal protection. Additional information about Pure Green, LLC is available at www.PureGreen24.com
