

PureGreen24 Registered in All 50 United States

New York, NY April 21, 2008 -- Pure Green, LLC today announces that PureGreen24®, the first “green” hard surface disinfectant registered with the Federal Environmental Protection Agency (EPA), has received certificates of registration from all 50 states. In addition, PureGreen24® has pending registration for sale in the Commonwealth of Puerto Rico.

PureGreen24 Your Only Choice for a Green Disinfectant is Now Nationally Available

David Stetson, Pure Green, LLC co-founder stated, “I am pleased that PureGreen24® is now available to the residents and businesses of all 50 states”. PureGreen24® is effective against bacterial threats, killing Methicillin Resistant Staphylococcus (Staph) Aureus (MRSA) within two minutes of contact, and yet it is harmless to children and pets.” To view current state registration documents please visit:

PureGreen24’s Advantages

PureGreen24 kills the most deadly of superbugs, yet also kills everyday household germs. PureGreen24’s advantages include: fastest bacterial/ viral/ fungal kill times, 24 hour residual protection against Staph and EPA registration for use on sports equipment and children’s toys (no rinsing required). PureGreen24 can be applied in the presence of humans and animals, meets School System and Office Building Green standards and is manufactured and bottled in the USA. Visit www.puregreen24.com/PureGreen24FactSheet.pdf for further details.

About Pure Green, LLC

Pure Green, LLC is the international distributor of PureGreen24 disinfectant and deodorizer. PureGreen24 is the first “green” disinfectant registered by the Federal EPA; your only choice for a proven “green” disinfectant. Pure Green, LLC is dedicated to reducing health risks caused by exposure to viruses, fungi and bacteria without endangering humans and animals during the disinfecting process. PureGreen24 kills MRSA, VRE and Staph, yet also kills common household germs and is safe for use in the presence of children and animals. PureGreen24 is based on a patented Silver Ion SDC® technology that is a true “green” disinfectant with unprecedented 24 hour effectiveness. Pure Green, LLC is further distinguished by donating 10% of profits to charities which support children’s health, cancer research and animal protection. Additional information about Pure Green, LLC is available at www.puregreen24.com.
